Fit and design notes

Quick guide

- **Bust / chest** Around the fullest part, keeping the tape level across the back.
- **Underbust** Directly under the bust, level around the torso.
- **Waist** Around the natural waist, usually the narrowest part of the torso.
- **Full hip** Around the fullest part of the hip and seat.
- **Shoulder width** Across the back from shoulder point to shoulder point.
- **Sleeve length** From shoulder point along the arm to the desired cuff point.
- **Dress length** From the chosen shoulder/high point down to the desired hem.
- **Inseam** From crotch to desired trouser hem along the inside leg.
